1. Tyson Project A+ Labels:

Visit www.tyson.com/projectaplus/ for more information. Cut out the entire Support Your School! Project A+ label. Each label we collect is worth 24 cents for our PTO.

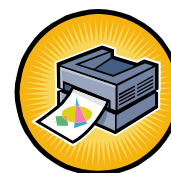

2. Labels for Education:

Save Campbell labels and send to school. Labels will be used by the PE Department to purchase sports equipment. Please save the "UPC" code only. To see the many eligible products, go to www.labelsforeducation.com.

3. Ink Jet cartridges:

Save empty cartridges and we will recycle them for free. Cartridges can earn up to \$3.00 each for our school. Funds earned will purchase additional technology supplies.

4. Box Top Labels:

Cut out the labels and turn in to our school. They look very much like a postage stamp. Each label earns 10 cents.

In February, 2009, Palm Pointe PTO received \$1,435.00 for labels collected.

5. Target: Have a Target Visa or Target Check Card? If you do...Palm Pointe can receive a percentage of your purchases all thanks to Target! No additional cost to you - just sign-up - it is free!
